September 17, 2022

Dear Spring Creek Ranch Property Owners:

We are conducting a vote among all property owners to increase the number of seats on the Board from five (5) to seven (7). This will broaden representation without becoming unwieldy and reflects the fact that Spring Creek Ranch has grown substantially since the number of seats was established in 2005. It will enable greater representation of various property owner interests.

The number of Board seats was established by the Bylaws in 2005 at which time Spring Creek Ranch was a much smaller community. These Bylaws can be amended to add two seats to the Board going forward by a simple majority vote of all property owners.

You recently received voting materials from Mark Sullivan who is legal counsel to the Spring Creek Homeowners Association. To vote in favor of increasing the Board to seven members from five, all you need to do is type "yes" and then send Mark Sullivan's form back to him and Leslie Schilling who is the Secretary of the Association.

We encourage you to vote "yes" to increase the Board membership. Spring Creek Ranch needs a strong and diverse Board.

George Kallop, President of the Spring Creek Homeowners Association

Marc Segal, Board Member and Chair of the Finance Committee

Leslie Schilling, Board Member, Secretary and Chair of the Vision Committee
