Candidate's Goal:

(1) To work with Spring Creek homeowners and Spring Creek Resort and HOA management and staff to ensure the quality of services and amenities on the butte, and work to enhance them over time;

(2) Ensure that the delivery of SCHOA services and the maintenance of/improvements to Spring Creek infrastructure are accomplished in a fiscally prudent manner.

Comments: The Tetons had me at first sight--in 1969 when I was 12. I have been coming out to Jackson each year ever since to hike, ski, fish and kayak. My wife and I stayed at Spring Creek soon after the resort opened. Now that we've built a house and made a home on the butte, we are all the more invested in maintaining and, over time, enhancing the quality of life at Spring Creek.
