

Spring Creek Homeowners Association
2020
Annual Meeting Nomination Form

Unit(s)/Lot(s) Owned: LOT 11 Amangani

Name: Stuart Lang

Office sought: SCRHOA BOARD OF DIRECTORS

Address: 1535 North East Butte Road, JACKSON, WY

Telephone: 307.413.9489

Occupation: Amangani- General Manager

Candidate's Goal:

I have served on the SCRHOA Board since my employment at Amangani commenced in 2014. My history with Spring Creek Ranch dates to 1995 when I relocated to Jackson Hole. Although not a homeowner at Spring Creek I have many fond memories of the many years I worked at Spring Creek Ranch and of the many homeowners I have come to know over the years.

My main motivation for serving on the Board is to act responsibly and to safeguard the interests of our, Amangani's, owners. With the addition of a third property management company operating on the butte it is going to be very important that we as stake holders in the Spring Creek Ranch community work together to ensure this little piece of heaven remains the premier and highly sought after area in which to invest.

Thank you for your vote and please do not hesitate to contact me with any questions.

S. Lang
