#### ACCOUNTANT'S REVIEW REPORT

May 25, 2012

To the Board of Directors
Spring Creek Homeowners' Association
Jackson, Wyoming

We have reviewed the accompanying balance sheet of Spring Creek Homeowners' Association (a corporation) as of December 31, 2011 and the related statement of revenues expenses and changes in fund balance and statement of cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Our review was made for the purpose of expressing a conclusion that there are no material modifications that should be made to the financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America. The supplemental information including future major repairs and replacements is presented only for purposes of additional analysis. Such information, except for this information on future major repairs has been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements, and we are not aware of any material modifications that should be made thereto.

The accompanying financial statements and accountant's review report are for the purpose of internal use by Spring Creek Homeowners' Association and should not be used or relied upon by any other party for any purpose. Additional users of these financial statements and accountant's review report are hereby advised that the liability of Thompson, Palmer and Associates to third party users who use or rely on this information may be limited pursuant to 1995 Wyoming Sessions Laws Chapter 155 creating Wyoming Statutes 33-3-201.

#### NOTE #1 - NATURE OF ORGANIZATION

Spring Creek Homeowners' Association is a non-profit association incorporated September 8, 1982, in the State of Wyoming. The Association is responsible for the insurance, operations and maintenance of the common facilities at Spring Creek Ranch, located in Teton County, Wyoming. Property or "Unit" owners, within Spring Creek Ranch, are members of the Association. Unit owners may also be members of subsidiary associations for particular subdivisions. The Association is governed by articles of incorporation, by-laws and declaration of covenants, conditions and restrictions.

#### NOTE #2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Fund accounting

The financial statements are presented on the accrual basis. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains its accounts using fund accounting. Financial resources are classified for accounting and reporting purposes in the following funds, established according to their nature and purpose:

Operating fund - Used to account for financial resources available for the general operations of the Association.

Replacement fund - Used to accumulate financial resources designated for future major repairs and replacements.

#### Assessments receivable

The Association levies monthly assessments upon its members to pay operating costs and fund major repairs and replacements. The Association may file liens and take legal action against any member whose monthly payments are delinquent. Management anticipates all assessments receivable to be collectible, whether in the normal course of business or forced by lien at the transfer of property, and no allowance for doubtful accounts is considered necessary. As of December 31, 2011 and 2010 assessments receivable are \$140,638 and \$106,367 respectively.

#### Inventories - firewood

Firewood inventories are stated at cost. Cost is determined using the first-in, first-out method of accounting. As of December 31, 2011 and 2010 inventories are \$18,563 and \$20,828 respectively.

#### NOTE #2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Property and equipment

The infrastructure, including roads, utilities, and related buildings, within the Association boundaries are property of the Spring Creek Improvement and Service District (SCISD). Under agreement, the Association manages and maintains this infrastructure with the ability to request reimbursement from the SCISD for any major expenditure. Association expenditures to maintain these assets will be expensed as incurred.

The Association also maintains the common area and exterior of the Harvest Dance and Spirit Dance subdivisions. Association expenditures to maintain these assets are expensed as incurred, and charged to the respective subdivision's operating or reserve funds.

Expenditures for new asset acquisitions may be capitalized if significant.

#### Insurance

It is the responsibility of the Association to provide liability and property damage insurance coverage for the common elements, including certain building exteriors, and the limited common elements of the project. Costs of the insurance are charged to the owners and prorated among the owners as set forth in the declarations. The building policy and earthquake coverage amounts are as follows:

|                 |   | 2011       | 2010           |
|-----------------|---|------------|----------------|
| Building policy | : | 28,930,000 | \$ 400,000,000 |
| Earthquake      |   | 25,000,000 | \$ 75,000,000  |

#### Statement of cash flows

Cash equivalents include all highly liquid debt instruments purchased with a maturity of three months or less.

#### Accounting estimates

The preparation of financial statements require management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual amounts may differ from estimates.

#### Comparative information

The financial statements include certain prior-year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the organization's financial statements for the year ended December 31, 2010, from which the summarized information was derived. The 2010 information is audited.

#### NOTE #3 - INVESTMENTS - FAIR VALUE

The Association conforms to generally accepted accounting principles, which require debt securities that are classified as available for sale to be recorded at "fair value" on the financial statements.

| Net unrealized and realized gain on securities | \$( | 6 933) \$ | 158 584 |

#### NOTE #4 - INCOME TAXES

The Association is taxed as a regular corporation. As a regular corporation, membership income is exempt from taxation, if certain elections are made; and the Association is taxed only on its non-membership income, such as interest earnings, at regular Federal tax rates, i.e. 15% on the first \$50,000. Income tax expense in 2011 and 2010 are \$7,237 and \$2,380 respectively.

#### NOTE #5 - COMMITMENTS AND CONTINGENCIES

Future major repairs and replacements

The Association has budgeted for funds to be accumulated to offset costs of future major repairs and replacements. The association seeks to accumulate fifty percent of the replacement costs over the useful lives of the Project Common facilities, and to accumulate funds for specific repairs and maintenance of the Spirit Dance and Harvest Dance sites.

The replacement funds totaling \$1,823,672 consist of cash, including interest bearing monies of \$63,350, taxable and tax-exempt investments, including accrued interest totaling \$1,747,133, and an inter-fund receivable of \$13,189 as of December 31, 2011. The fund is generally not available for operating purposes. It is the Associations' policy to retain the interest earned on such funds in the reserve fund for future major repairs and replacements.

During July 2000, the Association conducted a study to estimate the remaining useful lives and replacement costs of the Project Common and Site Common (Spirit Dance and Harvest Dance) property components including the water and sewer system. The replacement cost values were updated in April, 2005. The Association is funding for such major repairs and replacements as follows:

|                              | 2011          | 2010          |
|------------------------------|---------------|---------------|
| Replacement fund             |               |               |
| Assessments – Project Common | \$<br>70,710  | \$<br>69,918  |
| Assessments – Spirit Dance   | 94,322        | 63,685        |
| Assessments – Harvest Dance  | 58,382        | 57,806        |
|                              | \$<br>223,414 | \$<br>191,409 |

Amounts accumulated in the replacement fund may not be adequate to meet future needs. However, if additional funds are needed, the Board of Directors of the Association has the right to increase regular assessments; and the Association has the right, subject to member approval, to levy emergency assessments, to levy special assessments, or to borrow. The Association may delay major repairs and replacements until funds are available.

#### Litigation

On May 7, 2010 a homeowner brought suit against the Association and a neighboring homeowner, challenging that the Architectural Committee inappropriately approved an addition on a neighboring Spirit Dance unit, that the Association has failed to enforce the Declaration of Covenants, Conditions and Restrictions (CC&Rs) of the Association and that the co-defendant homeowner, despite express written notification objecting to the addition, proceeded with construction and expansion activities. JLC Development, LLC v Spring Creek Homeowners Association and Christopher and Ann-Marie Ballard, CA 15394 asks for enforcement of the CC&Rs requiring the removal of the expansion and improvements, and the sum of \$400,000 plus costs and attorney's fees. The Association's insurance company is defending the Association as specified in the Association's policies. The insurance company's obligations to the Association under the Association's policy are subject to rights of reservation. Coverage may be withdrawn at a later date if it is determined subsequently that no coverage exists for this matter under the policy, and that the insurance company has the right to seek reimbursement for its defense costs incurred in relation to the non-covered claims or causes of action. The suit is continuing. Some depositions have been scheduled. The Association's insurance company is continuing to defend the Association. In June 2011, the civil action seeking removal of the expansion and improvements was dismissed. No trial date has been scheduled for the monetary claim.

SPRING CREEK HOMEOWNERS' ASSOCIATION SUPPLEMENTAL INFORMATION ON FUTURE MAJOR REPAIRS AND REPLACEMENTS (COMPILED) DECEMBER 31, 2011

The Associations' Board of Directors conducted a study in July 2000 to estimate the remaining useful lives and the replacement costs to the components of Project Common and Site Common (Spirit Dance and Harvest Dance) property. The estimates were tabulated by the study committee who inventoried and inspected the property. Replacement costs were based on the estimated costs to repair or replace the common and site property components at the date of the study. In April 2005, an engineering firm updated the inventory of property, and the repair or replacement costs. The estimated current replacement cost reflects the revised 2005 study as the basis plus an allowance for inflation.

The following information is based on the revised study and presents significant information about the components of common and site property.
