

Spring Creek Improvement & Service District Board

The Board of Directors of the Improvement and Service District consists of three persons, who are elected by the Homeowners and serve three-year terms. As specified in the District's Bylaws, the Directors are responsible for the management and control of the District. The District owns, maintains, and operates the roads, water system, sewer system, and trails at Spring Creek Ranch; in doing so, it works closely with the Spring Creek Homeowners Association. The board of Directors of the District holds an annual meeting in July, and it holds special meetings at other times as necessary.

Members:

Stephen Price - President - sprice@springcreekranch.com

Ron Harris - Director - ron.harris@milliman.com

Donna Falk - Director - dfalk523@gmail.com

Other: Derek Goodson - Treasurer - dgoodson@springcreekranch.com
